Sir,

With reference to your letter No 2492/ML 34-15 dated the 23rd instant forwarding for report petition registered No 1157 dated the 20th idem from Papanna, father of Alamma, widow of Sowcar Narasimhaiah complaining that the vacant land to the South of her Chattram in the Mysore City, formerly the property of Mr Ananda Rao, has been allowed to be built upon to the prejudice of the sanitary requirements of the Chattram, I have the honour to state that the vacant land in question was created by the Trust Board by removing the insanitary houses that had existed thereon for the sanitary improvements of the locality under Government Order No 5950-3/Ml 229-07-2 of 20th December 1907 This land being found quite suited for constructing a Model House for the poor, the construction of a Model House of design No 3 was started thereon under Government Order No 221-5/ML 51-14-03 dated the 12th July 1915 The creation of the Departmental building does in no way interfere with the sanitary requirements of the Chattram

chattram premises, on which I endorsed " Before Board with necessary information". This application intended for the disposal of the Board was required to be accompanied with a plan drawn to scale and measurements entered thereon, which the said Papanna promised to furnish in a couple of days but did not appear at all since. And from enquiries made it is learnt that he took away the application also with him without handing over to office probably with the idea of representing it with plans. so that no petition has been received in this office formally up-to-date As regards the proposed Model House the foundations thereof have been excavated and filled up with concrete The contractor is ready with all the materials required for raising the structure In these circumstances it would appear to be inexpedient to stop the work at this stage With due deference to the orders conveyed in para 2 of the letter under reply, however, orders have been issued to stay The petition received with your letter is retransmitted herewith

I have the honour to be,

Sir,

Your most obedient servant,

Chairman.
